

## Lockerbie Creamery – How to Find Us

The site is located between Lockerbie and Lochmaben on the A709 – the site sits 2.5 miles west of Lockerbie on the right hand side of the road just beyond the bridge over the River Annan.

### Travelling from the North

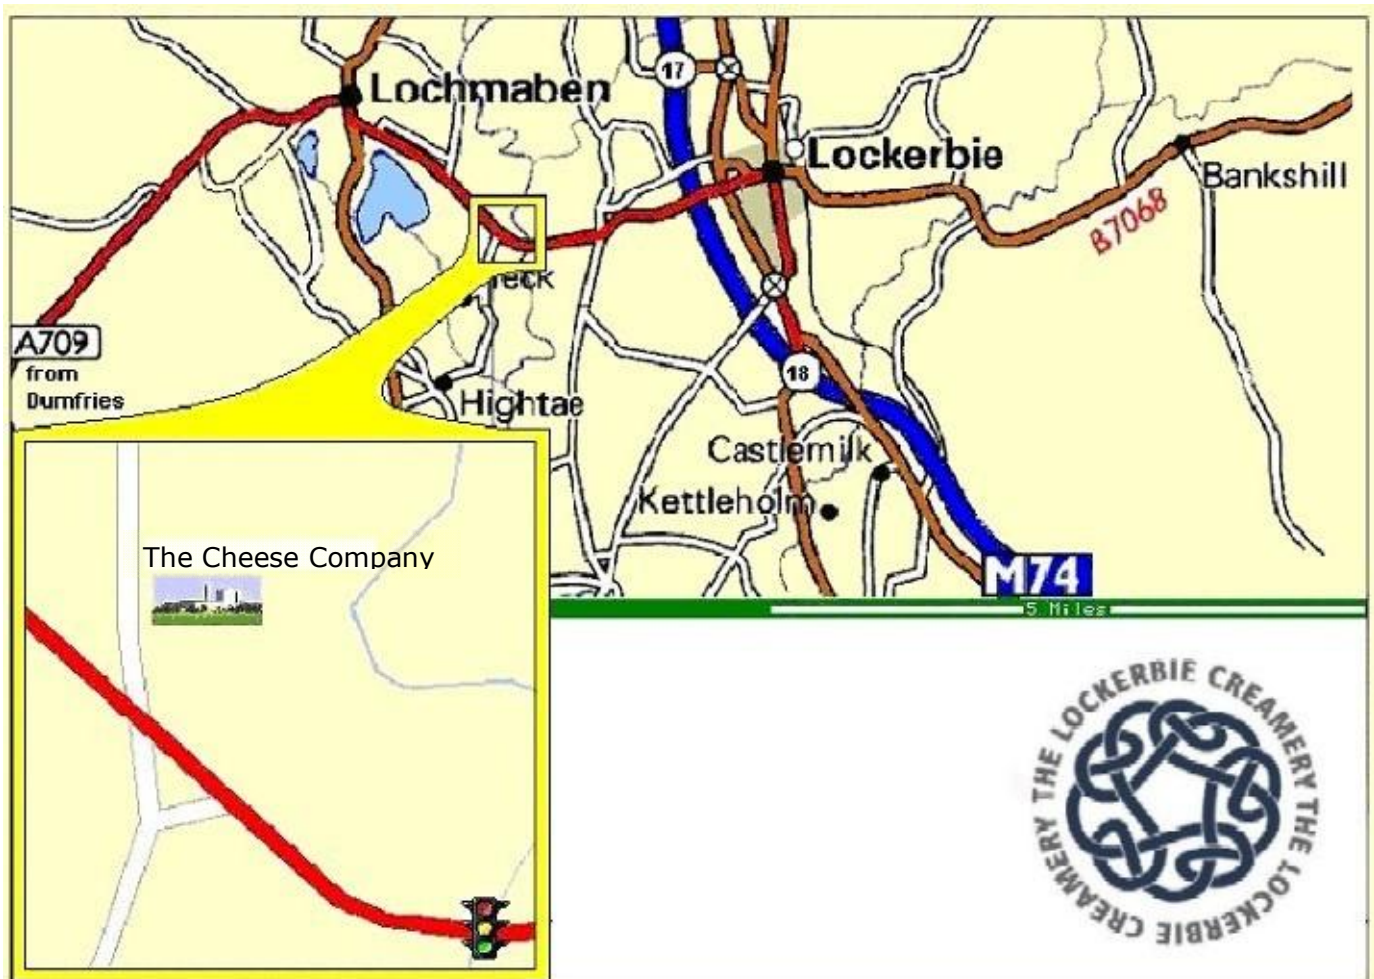

Note that you cannot leave the M74 at junction 18 travelling from the North – you MUST leave at junction 17. From Junction 17 take the last exit from the roundabout at the bottom of the hill and travel south on the old trunk road parallel to the M74 for approximately 1 mile. Take the first exit on the LHS of this road and swing round to the west to join the A709 – this road crosses the M74. Then follow the A709 away from Lockerbie towards Lockerbie Creamery – heading for Lochmaben, Dumfries (see above).

### Travelling from the South

You can leave the M74 travelling from the south at either junction 17 or 18 – 18 is most appropriate. When you leave the M74 from J18 you will come to another junction – turn right heading towards the Queens Hotel and Lockerbie town. Within 400m you will reach a roundabout – take the second exit heading straight ahead and follow the old trunk road which runs parallel with the M74. Follow this road for c.1 mile and take the first exit on the RHS of the road and swing round to the west to join the A709 – this road crosses the M74. Then follow the A709 away from Lockerbie towards Lockerbie Creamery – heading for Lochmaben, Dumfries (see above).
